

VOICES OF THE UPF III

Steve Jennings

He should give the cash back as a show of good faith to the movement. He could make the \$3000 in 2 or 3 weeks with a bit of hard work and elbow grease.

Maybe do something for charity also if he's got the free time at the moment. Seems like a good move for the Sherm.

Glad you're all sorted mate!

have a few questions though, I'm a bit confused about when Blair said you guys were trying to swindle us patriots of money. Bad image mate, I think you should return the money out of good faith.

Yes enough of the gofundme. Fund it yourself if you feel so strongly about something.

Too right. Give that money to the MOVEMENT. Not pay off Shermons car.

Don't like the new UPF leader Chris, he doesn't look like he could lead a blind man...my opinion and watch how everyone will leave...rebirth my butt. But what's done is done.

I have heard it all now , just when I thought I respected Blair for his brave stance. You showed true leadership, calling out weakness and distancing yourself from others who put themselves above the cause. Now you just meekly back down and concoct this ridiculous story that only the ignorant and mindless followers would truly believe. What type of movement uses donations to fund car payments for their so called leader... This is a joke, the movement is being laughed at. You have lost the platform to win over the mainstream consumers.
